Testimonials

“Thanks for being so amazing and coming into my life” Maya is in my opinion the best at providing clarity with very difficult circumstances that come up in life that may be hard to understand. She gives you the information straight, without sugar coating and you have a sense of relief even after one session. I have worked with many experts and I can say that Maya is definitely one of my favorite go to people to gain CLARITY. I highly recommend you give it a shot if you are someone that wants to move forward fast and to really get what is occurring on a personal level for you. Thank you Maya!

“Maya White is my go to person for Astro*Carto*Graphy. I believe in her so much that my husband and myself slept on an air mattress just so that we could inaugurate our new home at the date that she thought was the best for us over all. She predicted through her Astro*Carto*Graphy that the home that we just sold would always be under construction because of the time that we got the house. Well as much as I didn't want that to be true she was 100% accurate we never quite finished our house until we were ready to leave it. I highly recommend her!!”

“Maya, thank you so very much. This is what I have been looking for a long, long time. I've not had anyone to trust in this matter of the stars and Spirit speaking to me since my own teacher in Florida. You are totally amazing. I've never ever had a reading like this and was not sure that such a reading existed, but my heart said it did. I am so grateful. Be ten times blessed.....Thank you, Thank you, Thank you.”
